Dear Mr. Henderson:

Re: Notice of Intention to Commence Small Mining Operations,

Thank you for forwarding the Notice of Intention to Commence Small Mining Operations for Daniel T. Land's, Ebony and Ivory #3 Project, located in Section 9, T23S, R13W, SLBM, Millard County, Utah. Your agency's designated number for this project is UT-055-91-13N. Please accept my apology for the unforeseen delay in getting back to you on this project. I appreciate your clarification on the questionable mine overlap issue (Anchor Aquarium Products, UT-055-91-09N).

This letter is to inform you that the Division has evaluated Daniel T. Land's Notice of Intent for completeness. The Notice does meet the requirements of Rule R613-003 of the 1988 Division of Oil, Gas and Mining Minerals Rules, and Title 40-8 et seq of the Utah Mined Land Reclamation Act of 1975.

Thank you for your cooperation. If you receive further information or amendments for this operation, please notify us so we will be able to update our files. Please reference our designated file number S/027/029 when forwarding additional information on this project to us. We will provide the operator with a copy of this completeness notice.

Sincerely,

D. Wayne Hedberg
